JEC Available Fabric Colors (Yr. 2008)

Fabric colors are listed, using our silk thread color number (TC#). Refer to the silk sample card set available for $60.00 at JEC. TC #s are the closest estimate of the fabric color. They are not exactly the same. Numbers marked with ▯ are stock colors, and are shown on the sample card. Some plain numbers are in stock now, but may not be available in the future. Please also contact us to inquire of "wish list" and miscellaneous fabrics we may also have in our stock.
